

Ways to get involved

Send photos to Women in Trade

Just take a picture of yourself holding your favourite tool, even one as simple as a pen. Explain why this tool is important and what it is used for. Perhaps, you have a story to tell about how this tool has changed your life or someone else's. Please submit high-resolution portrait images that you would be proud to see featured on our website or social media. Send the images to hello@womenintradeday.co.uk and include your name, social media handles, and the details of your job. To learn more about the guidelines for acceptable images, please contact us before taking your photo.

EXAMPLES:

Campaign competition – the face

Each year we will choose a woman to be the face for that year. If you feel you would be a strong candidate to represent WITDW, please get in touch, share your picture with the caption #WITD (ADD THE YEAR), and tell us why you should be chosen.
